

TLUN1A | Targus 15 - 15.4 inch / 38.1 - 39.1cm Air Top Loading Universal

The Targus Air Top Loading Universal is designed to hold notebooks with 15" to 15.4" screens. The case features the unique Targus Air Protection System (APS) ensuring your notebook has the ultimate in protection. The top-loading design provides easy and instant access to your notebook.

Other features include the ergonomic handles and a form fitting shoulder strap which evenly distributes weight over your shoulder. There is a zip down workstation which includes pockets for a PDA, media, business cards, pens/pencils, a removable mesh pocket for accessories. A removable mobile phone pocket can be found on the exterior of the case. Additionally there is an expanding file section for document storage and an additional section for your portable printer/projector.

Convenience: Top Loading design ensuring instant access to your notebook

Protection: Padded notebook compartment with Air Protection System (APS) for 15" - 15.4" screens

Storage: Includes a zip down workstation, expanding file section for storage of all your mobile essentials and papers; and a section for your portable printer/projector

Comfort: Ergonomically designed handles and shoulder strap for comfort carrying on the move
